BSN OPTION
DISTANCE NURSING CURRICULUM SEQUENCE
Effective Fall 2007

Students in the RN/BSN Option program may attend classes either full or part time. If they choose to attend full time, they may be taking some classes on campus with the basic nursing students. The courses listed are the nursing courses remaining for most RN/BSN students after approved transfer of AD nursing credit. In addition, students must complete all requirements listed on back side of this page. Support courses and NLN/Challenge Exams should be completed before beginning College of Nursing courses. A minimum enrollment of 15 is required in order for a course to be offered through distance delivery. Courses with enrollment of less than 15 students two weeks prior to the first day of classes will be cancelled.
