BSN OPTION
DISTANCE NURSING CURRICULUM SEQUENCE
Effective Fall 2009

Students in the RN/BSN Option program may attend classes either full or part time. The courses listed are the nursing courses remaining for most RN/BSN students after approved transfer of AD nursing credit. In addition, students must complete all Essential Studies and Graduation requirements listed. Support courses should be completed before beginning College of Nursing courses. A minimum enrollment of 15 is required in order for a course to be offered though distance delivery. Courses with enrollment of less than 15 students two weeks prior to the first day of classes are subject to cancellation.
