BSSW Program

Mission Statement & Goals
The University of North Dakota, Bachelor of Science in Social Work Program provides students with knowledge, values and skills for generalist social work, with an emphasis on culturally responsive practice in rural communities.

- build upon students' liberal arts foundation to provide knowledge, values and skills necessary for competent social work generalist practice;
- prepare students for culturally responsive practice to rural communities;
- prepare students for service and leadership within the community and the social work profession; and
- prepare students for continued professional development opportunities.

About the Program
Student interested in declaring social work as a major meet initially with their Academic Advisor, who will work with the student to create a plan of study. Students are then assigned an advisor, who will work with the student throughout the remainder of their career at the University of North Dakota.

Second Degree Program
The student who has secured a bachelor's degree in a related field and wishes to secure a bachelor's degree in social work can complete the Second Degree Program. The Second Degree Program allows a student to secure a BSSW in one year.
